Chapter 4: "Mittu and the Yellow Mango" story summary in English

This is a story about a parrot named Mittu. One day while flying he saw one yellow mango on the tree. He wanted to eat it. There lived a crow that tree. He shouted on Mittu to go away. Mittu got frightened and went away. But he came back with an idea. He brought a red balloon in his beak. He burst the balloon behind the tree. It made a loud noise. After hearing the sound, the crow flew away in fear. At last, Mittu ate the yellow mango happily.

Moral of the Story

This lesson help to motivates the students to behave and act smartly according to the situation. One should build spontaneousness to overcome several obstacles.
