Homes of animals

Like us, animals too need homes to live in. Homes protect them from sun, cold, rain, wind and their enemies.

Animals have different kinds of homes. People prepare special home for their pet animals.

A rabbit live in a
burrow.

A hen lives in a
coop.

A dog lives in a
Kennel.

A bird builds a
nest to live in.

A horse live in a
stable.

A parrot is kept in a
cage.

Bees live in a
hive.

A cow lives in a
shed.

A sheep lives in a
den.
