## Class 1 Science

### Chapter 9: We Need Air Exercise QA

## ● Skill Test ●

### A. Tick (✓) the correct option:

- All \_\_\_\_\_ things need air.  
(a) Dead                      (b) Plastic                      (c) Living
- We need air for \_\_\_\_\_.  
(a) Running                      (b) Breathing                      (c) Dancing
- \_\_\_\_\_ is necessary for burning.  
(a) Air                      (b) Water                      (c) Fuel
- Fast moving air is called \_\_\_\_\_.  
(a) Wind                      (b) Storm                      (c) Cyclone

### B. Fill in the blanks with the given words:

feel    force    wind    breathe    air space    weight

- We can \_\_\_\_\_ air.
- Moving air is called \_\_\_\_\_.
- Fire also need \_\_\_\_\_ to burn.
- All living things need air to \_\_\_\_\_.
- Air occupies \_\_\_\_\_, \_\_\_\_\_ and, \_\_\_\_\_.

### C. Match the following:

- |            |                          |
|------------|--------------------------|
| 1. Air     | (a) moving air           |
| 2. wind    | (b) air takes up space   |
| 3. balloon | (c) fast and strong wind |
| 4. storm   | (d) all around us        |

#### D. Answer these questions:

1. Why do we need air ?

\_\_\_\_\_

2. What is wind ?

\_\_\_\_\_

3. List three ways how air or wind is useful.

\_\_\_\_\_

#### Hot Question

Window let in air into your house. How many windows are there in your house? Do you keep these windows open when there is a storm. Why? Why not?

#### Creative Corner ●●

A. Find the names related to air hidden in this word search. One has been done for you:

B	P	W	G	T	C	K	S
D	A	I	L	B	O	A	T
J	R	N	J	R	V	P	O
K	A	D	P	E	S	J	R
N	C	M	D	E	Z	F	M
O	H	I	L	Z	A	H	N
A	U	L	Q	E	O	Q	K
I	T	L	W	D	R	M	S
Y	E	Z	R	L	Q	B	P

B. Take a balloon, blow air into it. It increases its size. It is the air that you blow in the balloon that gives shape to the balloon. This shows that air occupies space.

#### Select the correct option from MCQs:

1. All \_\_\_\_\_ things need air.

- (a) Dead
- (b) Plastic
- (c) Living

2. We need air for \_\_\_\_\_.

- (a) Running
- (b) Breathing
- (c) Dancing

3. \_\_\_\_\_ is necessary for burning.

- (a) Air
- (b) Water
- (c) Fuel

4. Fast moving air is called \_\_\_\_\_.

- (a) Wind
- (b) Storm
- (c) Cyclone

- 1. C
- 2. B
- 3. A
- 4. B

Fill in the blanks with the given words: (feel, force, wind, breath, air space, weight)

- 1. We can \_\_\_\_ air.
- 2. Moving air is called \_\_\_\_\_.
- 3. Fire also need \_\_\_\_\_ to burn.
- 4. All living things need air to \_\_\_\_\_.
- 5. Air occupies \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_.

Answers:

- 1. Feel
- 2. Wind
- 3. Air
- 4. Breath
- 5. space, weight and force

Match the following:

**Column-1**

**Column-2**

1. Air

(a) moving air

2. wind

(b) air takes up space

3. balloon

(c) fast and strong wind

4. storm

(d) all around us

Answers:

1. D

2. A

3. B

4. C
